DAY 1

PUERTO MALDONADO/ HACIENDA HERRERA

ARRIVAL

We will pick you up at the airport or bus station and embark to Hacienda Herrera, traveling about 20 minutes by boat on the Madre de Dios River. After arrival we will give you all the information about your stay and you can rest a little before your first discovery activity!

Lunch in dining room

VISIT OUR ORGANIC AMAZON FARM

During the visit to our farm you will learn about organic Amazonian agroforestry and appreciate different plantations of tropical crops, such as bananas, papaya, guaba, cacao, carambola, mango, acerola, pineapple, sugar cane, oranges, tangerines, lemons, avocado, caimito, cocona, Amazonian chili and yucca. Depending on seasonal availability, you can also try them!

Duration: 1.5 hours

dinner.

RIO DE NOCHE

After sunset, we will set out on an exciting nighttime boat trip along the Madre de Dios River. If you are lucky, you will encounter caimans on the riverbanks, among other animals with incredible and strange adaptations to life in the dark.

Duration of the excursion: 1.5 hours

DIA 2

HACIENDA HERRERA/ RESERVA NACIONAL TAMBOPATA

TAMBOPATA NATIONAL RESERVE - SANDOVAL LAKE

One of the most beautiful lakes in the Peruvian Amazon and the Tambopata National Reserve, Lake Sandoval is home to giant river otters, caimans, different species of monkeys, turtles, a variety of bird species and butterflies. Our excursion will start very early in the morning, leaving from the lodge by boat and then with a 3 km hike in the middle of the reserve to reach the lake. Afterwards we will slowly navigate in a paddle boat close to the vegetation of the lake trying to spot as many animals as we can surrounded by a wonderful landscape.

Duration: half day.

Breakfast during the excursion. We will return to the lodge for lunch, then we will have time to rest and relax until the start of our next experience...

KAYAK IN THE RIVER

Kayaking on an Amazon river is an activity that will deeply nurture your connection with the rainforest. Just paddle down the Madre de Dios River and enjoy the awesome feeling of paddling in the Amazon basin.

While paddling downstream, you may also see wild animals among the riparian vegetation and amidst a breathtaking sunset. After a couple of hours of fun paddling on the river, we will return upstream by boat to Hacienda Herrera.

Duration of tour: 2 hours

We rest at the lodge and get prepared for our last activity of the day...

JUNGLE BY NIGHT

After sunset, we will head out for an exciting night walk through the jungle on a trail that starts near the lodge; if you are lucky, you might encounter interesting frogs, praying mantises, giant spiders and other animals with incredible and bizarre adaptations to life in the dark.

Duration of tour: 1 hour

DAY 3

HACIENDA HERRERA/CACHUELA CLAY LICK/ SHIHUAHUACO TRAIL

CACHUELA PARROT CLAY LICK

We will leave Hacienda Herrera at 5:00 a.m. for a 45-minute boat ride upriver to reach the Cachuela clay lick when the parrots are most active. The Cachuela clay lick is the perfect place for bird lovers to see parrots and parrotlets, such as the yellow-fronted parakeet, the mealy parrot, and occasionally the blue-headed macaw and other small macaws. We will watch the activity at the clay lick as we enjoy the sunrise on the boat!

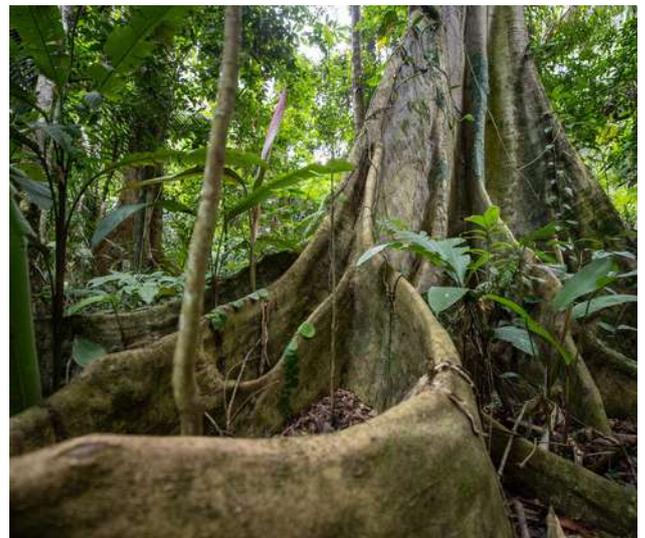

Duration : 2 hours.

We will return to the lodge for breakfast and to get ready for our next experience..

SHIHUAHUACO TRAIL

The Shihuahuaco trail is approximately 2 kilometers long and offers visitors a unique experience of direct contact with Amazonian nature. Along the route, you will pass through a wide variety of natural habitats that allow you to appreciate the rich landscape and biology of the area. Located in the buffer zone of the Tambopata National Reserve, this trail is ideal for interpretive walks, wildlife observation, and nature photography. Its privileged setting provides the opportunity to get up close to iconic trees such as the shihuahuaco, as well as birds, insects, and other animals native to the tropical forest.

We will return to the lodge for lunch and rest for our next experience.

PIRANHA FISHING

The Yacumama Lagoon is one of the most important wetlands in the region. It is currently part of a conservation project, and is home to thousands of parrots and macaws that roost in the area.

This natural area is managed by people from the community of Santa Teresa, who promote ecotourism to self-finance their project and invite us to be part of their initiative. Enjoy an afternoon of piranha fishing and help conserve this natural paradise.

Duration: 3 hours
